Appendix D: Member Agency Maps & Actions

This appendix includes information that is detailed for specific TWTPO member agencies. The following agencies are included:

Town of Carrboro Town of Chapel Hill

City of Durham Town of Hillsborough

Durham County Orange County

Chatham County

For each of these agencies, results from data analysis have been mapped to the respective jurisdiction. Additionally, some action items have been updated based upon comments from the Technical Advisory Committee (TAC) to include details that are specific to the member agency. This may include a change in wording or an update to the recommended timeframe for the action. Only the modified actions are included in this appendix. If no table is included, the proposed actions in the Vision Zero Plan should be used by the jurisdiction.

A series of maps are included for each member agency followed by the updated action table (if applicable). The maps included in this appendix for each member agency are the following:

- Crash Map: illustrating fatal and serious injury crashes
- High Injury Network
- High Injury Intersections
- VRU High Injury corridors and intersections
- High Risk Corridors
- High Risk Intersections
- Indicators of Potential Disadvantage and HIN
- Priority Corridors
- Priority Intersections
