Current Steps

Final tally of Regional Local Input Points

Recommend that the Board adopt the Local Input Point Assignment

Submit Local Input Point Assignments to the SPOT Office by August 30

Local Input Point Allocation

- The MPO has 2,300 points to distribute towards Regional Impact projects
- 300 points were flexed from the Division Needs category
- The points were distributed evenly across twenty-seven projects
 - 900 points to Highway
 - 715 points to Public Transit
 - 685 points to Rail projects
- After the points from the Methodology were tallied, Input Points were allocated based on the Regional Impact score
- Deviations from the Methodology rankings resulted from conversations with the TC, Divisions, and other MPOs/RPOs

Next Steps

Begin initial analysis of Division Needs projects

Await programming of Regional Impact projects to determine what will cascade

Continue coordination with members and partners

Motion: Recommend that the Board adopt the Local Input Point assignment.
