TO: DCHC Board
FROM: Madeline Galliano, MPO Staff
SUBJECT: FY2025 Draft UPWP Public Comments

Summary

The DCHC MPO is required by federal regulation to prepare an annual Unified Planning Work Program (UPWP) that details and guides the urban area transportation planning activities. Funding for the UPWP is provided by the Federal Highway Administration and the Federal Transit Administration. The UPWP must identify MPO planning tasks to be performed with the use of federal transportation funds.

The MPO Board released the Draft FY2025 UPWP for public comment on January 23. The next key date in the UPWP development process is to hold a public hearing at the February 27 Board meeting.

The remaining schedule for the UPWP development process is as follows:

- February 27: MPO Board holds a public hearing
- March 12: TC receives the final UPWP and recommends the Board approve the FY2025 UPWP
- March 26: MPO Board approves the final FY2025 UPWP
- March 28: DCHC MPO submits approved UPWP to NCDOT

Below are the public comments that have been received thus far on the FY2025 Draft UPWP.

Don't forget about the need for safe transportation for the disabled and aged riders. I find it limiting by no availability on weekends. TransLoc was Annoyingly unreliable and not worth it.
