Proposed 2024 MPA and AUA

WHY ADJUST?

- Addresses technical adjustments
 - In response to comments from NCDOT
 - › Roadway on and off,
 - › UA in the AUA,
 - › AUA in MPAs
 - Correct issues related to the coordinate system used in the previous Boundary
- A detailed review at a micro level (1:1,000 scale) resolved these issues

Proposed 2024 AUA Boundary

- Three areas to be adjusted.
- The AUA in some places does not exist within an MPA.
- The coordinate system was also corrected.
