**To:** DCHC MPO Board

**From:** Mariel Klein, Business Services Administrator, DCHC MPO

**Through:** Doug Plachcinski, MPO Executive Director

**Title:** Standing Infrastructure Investments and Jobs Act Information Memo

**Executive Summary**

On November 6, 2021, Congress passed the Bipartisan Infrastructure Deal (Infrastructure Investment and Jobs Act) (IIJA), a once-in-a-generation investment in national infrastructure and competitiveness. Among the IIJA's goals are several transportation-related investments in electric vehicles and infrastructure, passenger rail, airports and ports, public transit, and roads and bridges.

The funding for these programs will be distributed by state through formula grants and competitive grants, each with their own timeline and application requirements. This standing memo seeks to update the MPO Board and DCHC MPO jurisdictions regularly to grant and funding opportunities as they arise.
