MPO Board
January 23, 2024

What is the Unified Planning Work Program (UPWP)?

- The DCHC MPO's annual budget and funding document
- It is required by federal regulation
- It defines and guides the planning priorities in the DCHC MPO planning area and describes all federally-funded transportation-related planning activities anticipated within a given program year
- Funding comes from FHWA and FTA and is matched by state and local sources

Summary of Funding Sources in the FY2025 UPWP

Funds are distributed and apportioned by population to MPO's to conduct planning activities

FHWA Funding

- **STBG-DA**
 - Available for LPA and member planning studies
 - 20% local match required
- **Metropolitan Planning (PL)**
 - Available to LPA for planning
 - 20% local match required
- **Safe & Accessible Transportation Options (Y-410)**
 - Available to LPA for planning related to Complete Streets elements
 - 100% is federally reimbursed - no local match required

FTA Funding

- **5303 funds**
 - Programmed by transit agencies
 - 10% local match required
 - MPO staff can utilize 5303 funds for administrative tasks associated with the grant

FY2025 UPWP Priorities

- Development of the 2055 Metropolitan Transportation Plan (MTP) and new Comprehensive Transportation Plan (CTP)
- Work with NCDOT on STIP reprogramming and the development of the 2024-2033 TIP
- Explore integration of Big Data/open source data for technical and modeling processes
- TRM Generation-G2 base year and future direction
- Continue regional transit coordination and implementation
- Safety planning including the MPO's Comprehensive Safety Action Plan
- Administration and oversight of special studies
