ACTION ITEMS:

8. Triangle West TPO Draft Regional Safety Action Plan
Colleen McGue, TPO Planning Manager
Jared Draper, Toole Design

Colleen McGue shared that over the past nine months, the Triangle West TPO has been in the process of developing a regional safety action plan to improve transit, pedestrian/bicyclist and highway safety throughout the Triangle West planning area. The draft Vision Zero Safety Action Plan includes a snapshot of the crash types, severities, and locations and identifies strategies for improving overall safety in the region. This draft plan is the result of the data analysis, community engagement, and stakeholder discussions that have taken place over the course of this planning effort. Jared Draper presented the draft Safety Action Plan and shared next steps, which will include partnering with member agencies and community-based organizations around the region to host public workshops and pop-up events throughout the months of March and early April to share the draft plan with the community. The comments received and discussions at these engagement events will be reviewed and incorporated into the draft plan during the public comment period.

A motion was made by Nish Trivedi to recommend that the MPO Board release the draft Triangle West TPO Safety Action Plan for public comment and was seconded by Aaron Cain. The motion passed unanimously.

INFORMATONAL ITEMS:

9. Draft 2026-2035 State Transportation Improvement Plan (STIP) Update
Filmon Fishastion, TPO Staff

Filmon Fishastion presented on the draft 2026-2035 STIP that was released on January 29, 2025.

This draft includes new projects that were recently awarded funding from the Statewide Strategic Prioritization 7.0 Cycle. Due to limited funding availability, new projects were selected for funding in only four Strategic Transportation Investment (STI) categories: Statewide Mobility, Regions C and D, and Division 6. Triangle West TPO did receive funding for new projects, and TPO staff are working closely with NCDOT to understand schedule changes that are affecting existing projects in the draft STIP. Filmon Fishastion outlined those in his presentation.

NCDOT has been running a public comment period from January 31 to April 4, 2025 with drop in sessions between February 17 and March 17, 2025. The final STIP is expected to be adopted in July 2025. Several TC members raised questions about STIP project cost increases. Becca Gallas from Division 5 shared some details regarding the overall project cost increases in the STIP. Mr. Fishastion also shared that the development of the recently funded bus rapid transit projects in the Triangle West area is under way, and there are discussions happening amongst the transit providers in the region about the details of these projects.

10. FY2025 Unified Planning Work Program (UPWP) Administrative Modification #1
Thomas Porter, TPO Staff

Thomas Porter updated the TC on Administrative Modification #1 information to the FY2025 UPWP. Thomas Porter explained that the Local Project Delivery Study was programmed into the FY2025 UPWP for \$100,000 (20% local match of \$20,000 and 80% STBG-DA funds of \$80,000). Triangle West requested funding for this study to support its members in advancing and delivering local projects. Since the study was programmed, Triangle West was awarded a competitive grant from the Federal Highway Administration's (FHWA) Prioritization Process Pilot Program (PPPP) to pursue project delivery support. Procurement for the PPPP grant project is underway, and the \$100,000 for the project that is programmed in the UPWP is no longer needed to pursue this effort.

Thomas Porter clarified that Triangle West will be moving the \$100,000 in approved funds from this study and shifting it to the Durham City/County Bicycle and Pedestrian Plan special study and US 70 East Corridor Study: Phase II.

REPORTS FROM STAFF:

11. Report from TPO Staff

Doug Plachcinski, AICP, CFM, DCHC TPO Executive Director

Doug Plachcinski shared that they are close to US 70 being done with Phase 2, but not quite there yet with the 15-501 study in Chapel Hill.

12. Report from the Technical Committee Chair

Eric Vitale, TC Chair

No report.

12. NCDOT Reports

Becca Gallas, (Tracy Parrott), Division 5- NCDOT

Becca Gallas thanked everyone who attended the drop-in session at their office. There have been many pothole issues and lane closures due to winter weather, which they are working on getting completed.

Wright Archer, (Chad Reimakoski, Nishant Shah) Division -7

Chad Reimakoski noted the items in red in their report, which are increases in cost.

Reuben Blakley (Bryan Kluchar*, Jeron Monroe), Division 8 – NCDOT

Bryan Kluchar reminded everyone that the draft STIP comments will end April 4.

Julie Bogle, Transportation Planning Division – NCDOT

No report.

165 **John Grant, Traffic Operations – NCDOT**

166 No report.

167 **Regan Buchanan - NCDOT IMD**

168 No report.

169 **ADJOURNMENT**

170 There being no other business to discuss, Paul Black moved to adjourn, and Caroline Dwyer
171 seconded the motion. The meeting adjourned at 2:28 p.m.
