Subject: Triangle Commuter Rail Network Survey

Hi Bill,

My name is Mariah Canup, and I am a Master of Public Administration student at UNC. I am researching the network of stakeholders involved in the potential Triangle commuter rail project. Please support my research and click this Qualtrics link to [complete a 10-minute survey](#).

Any information you provide is anonymous unless you explicitly state otherwise. I will share my network analysis results this summer, and I hope that stakeholders, such as yourself, can use my research as the Triangle commuter rail project advances.

Please let me know if you have any questions, comments, or concerns.

Thanks,
Mariah Canup
