

## 2050 MTP Goals and Objectives

**Bold Font** = Proposed Update    Regular Font = 2045 MTP version    ~~Strikeout Font~~ = Remove

<b>Goals</b>	<b>Objectives</b>
<b>Protect the Human and Natural Environment and Minimize Climate Change</b>	A. Reduce mobile source emissions, GHG, and energy consumption
Protect the Environment & Minimize Climate Change	B. Reduce negative impacts on natural and cultural environment
	<b>Connect transportation and land use.</b>
<b>Connect People &amp; Places</b>	A. Connect people to jobs, education and other important destinations using all modes
Connect People	B. Ensure transportation needs are met for all populations (especially the aging and youth, economically disadvantaged, mobility impaired, and minorities)
<b>Promote and Expand Multimodal &amp; Affordable Choices</b>	A. Enhance transit services, amenities and facilities
Promote Multimodal & Affordable Choices	B. Improve bicycle and pedestrian facilities
	C. Increase utilization of affordable non-auto travel modes
Manage Congestion & System Reliability	<b>A. Allow people and goods to move with greater reliability.</b>
	Allow people and goods to move with minimal congestion and time delay, and greater predictability.
	B. Promote Travel Demand Management (TDM, such as carpool, vanpool, telecommuting and park-and-ride)
	C. Enhance Intelligent Transportation Systems (ITS, such as ramp metering, dynamic signal phasing and vehicle detection systems)
<b>Improve Infrastructure Condition &amp; Resilience</b>	A. Increase proportion of highways and highway assets in 'Good' condition

Goals	Objectives
Improve Infrastructure Condition	B. Maintain transit vehicles, facilities and amenities in the best operating condition.
	C. Improve the condition of bicycle and pedestrian facilities and amenities
	<b>Promote resilience planning and practices.</b>  Improve response time to infrastructure repairs
	<b>Support autonomous, connected, and electric vehicles.</b>
Ensure Equity & Participation	A. Ensure that transportation investments do not <del>create a disproportionate burden for any</del> <b>disrupt</b> community <del>ies</del> .
	<b>B. Promote equitable public participation among all communities</b>
	B. Enhance public participation among all communities
Promote Safety, <del>and</del> Health <b>and Well-Being</b>	A. Increase safety of travelers and residents
	B. Promote public health through transportation choices
Stimulate Economic Vitality <b>and Opportunity</b>	A. Improve freight movement
	<b>B. Coordinate land use and transportation</b>
	B. Link land use and transportation
	C. Target funding to the most cost-effective solutions
	D. Improve project delivery for all modes
