

Revised Goals and Objectives for Consideration

Goal: Connect People and Places

CAMPO Objectives	DCHC MPO Objectives
• Connect people to jobs, education and other important destinations using all modes. • Ensure transportation needs are met for all populations, especially the aging and youth, economically disadvantaged, mobility impaired, and minorities.	• Increase mobility options for all communities – particularly <u>underrepresented communities of concern</u>. • Achieve zero disparity of access to jobs, education, and other important destinations by race, income or other marginalized groups.

Goal: Promote and Expand Multimodal and Affordable Transportation Choices (CAMPO); Ensure that All People have Access to Multimodal and Affordable Transportation Choices (DCHC MPO)

CAMPO Objectives	DCHC MPO Objectives
• Enhance transit services, amenities and facilities. • Improve bicycle and pedestrian facilities. • Increase utilization of affordable non-auto travel modes.	• Enhance transit services, amenities and facilities. • Improve bicycle and pedestrian facilities. • Increase utilization of affordable non-auto travel modes.

Goal: Manage Congestion and System Reliability

CAMPO Objectives	DCHC MPO Objectives
• Allow people and goods to move with minimal congestion, time delay, and greater reliability. • Promote Travel Demand Management (TDM), such as carpooling, vanpooling and park-and-ride. • Enhance Intelligent Transportation Systems (ITS), such as ramp metering, dynamic signal phasing and vehicle detection systems.	• Allow people and goods to move with greater reliability. • Increase efficiency of the existing transportation system through strategies such as Transportation Demand Management (TDM) and Intelligent Transportation Systems (ITS). • <u>Increase travel choices and travel reliability while limiting the construction of new roads or expansion of existing ones.</u>

Goal: Promote Safety, Health and Well-being

CAMPO Objectives	DCHC MPO Objectives
• Increase the safety of travelers and residents. • Promote public health through transport choices.	• Achieve zero deaths and serious injuries on our transportation system. • Provide all residents with active transport choices. • <u>Improve project design and traffic operations to minimize human error.</u> • <u>Increase accessibility via universal design.</u>

Goal: Stimulate Economic Vitality and Opportunity (CAMPO); Stimulate Inclusive Economic Vitality (DCHC MPO)

CAMPO Objectives	DCHC MPO Objectives
• Improve freight movement. • Coordinate land use and transportation. • Improve project delivery for all modes. • Target funding to the most cost-effective solutions.	• Improve freight movement. • Coordinate land use and transportation. • Improve project delivery for all modes. • Invest in cost-effective solutions to improve travel reliability and safety. • Ensure equitable distribution of transportation investments especially <u>to communities of concern for underrepresented communities.</u>

Goal: Ensure Equity and Participation

CAMPO Objectives	DCHC MPO Objectives
• Ensure that transportation investments do not create disproportionate negative impacts for any community, especially communities of concern. • Promote equitable public participation among all communities, especially communities of concern.	• Ensure that transportation investments do not create disproportionate negative impacts for <u>communities of concern underrepresented communities.</u> • Ensure equitable public participation among <u>communities of concern underrepresented communities.</u>

Goal: Improve Infrastructure Condition and Resilience

CAMPO Objectives	DCHC MPO Objectives
• Increase the proportion of highways and highway assets rated in 'Good' condition.	• Increase the proportion of highways and highway assets rated in 'Good' condition.

• Maintain transit vehicles, facilities and amenities in the best operating condition. • Improve the condition of bicycle and pedestrian facilities and amenities. • Promote resilience planning and practices. • Support autonomous, connected and electric vehicles.	• Maintain transit vehicles, facilities and amenities in the best operating condition. • Improve the condition of bicycle and pedestrian facilities and amenities. • Promote resilience planning and practices. • Support autonomous, connected and electric vehicles. • <u>Create an accessible EV infrastructure network and prioritize alternative fuel sources.</u>
---	---

Goal: Protect the Human and Natural Environment and Minimize Climate Change

CAMPO Objectives	DCHC MPO Objectives
• Reduce negative impacts on the natural and cultural environments. • Reduce mobile source emissions, greenhouse gas emissions and energy consumption. • Connect transportation and land use.	• Reduce negative impacts on the natural and cultural environments. • Reduce transportation sector emissions. • Achieve net zero carbon emissions.
