

Comprehensive Transportation Plan (CTP)

Amendment #5 – (December 14, 2022)

Amendment #5

The Durham-Chapel Hill-Carrboro Metropolitan Planning Organization (DCHC MPO) intends to amend the Comprehensive Transportation Plan (CTP) to make changes to the multi-use path (MUP), bicycle, and MUP/bicycle grade separation projects in Orange County and Chatham County. These changes are based on updates to local bicycle and pedestrian plans and to changes to local road and development plans. Durham County changes to these modes will occur in a later amendment in the year 2023 to allow adequate time for public engagement.

This document presents:

- Public involvement plan and schedule – page 1;
- Maps – pages 3-5;
- MUP table – pages 6-15;
- Bike table – pages 16-25;
- Grade separation table – page 26;
- Problem statements – to be included for public release in December.

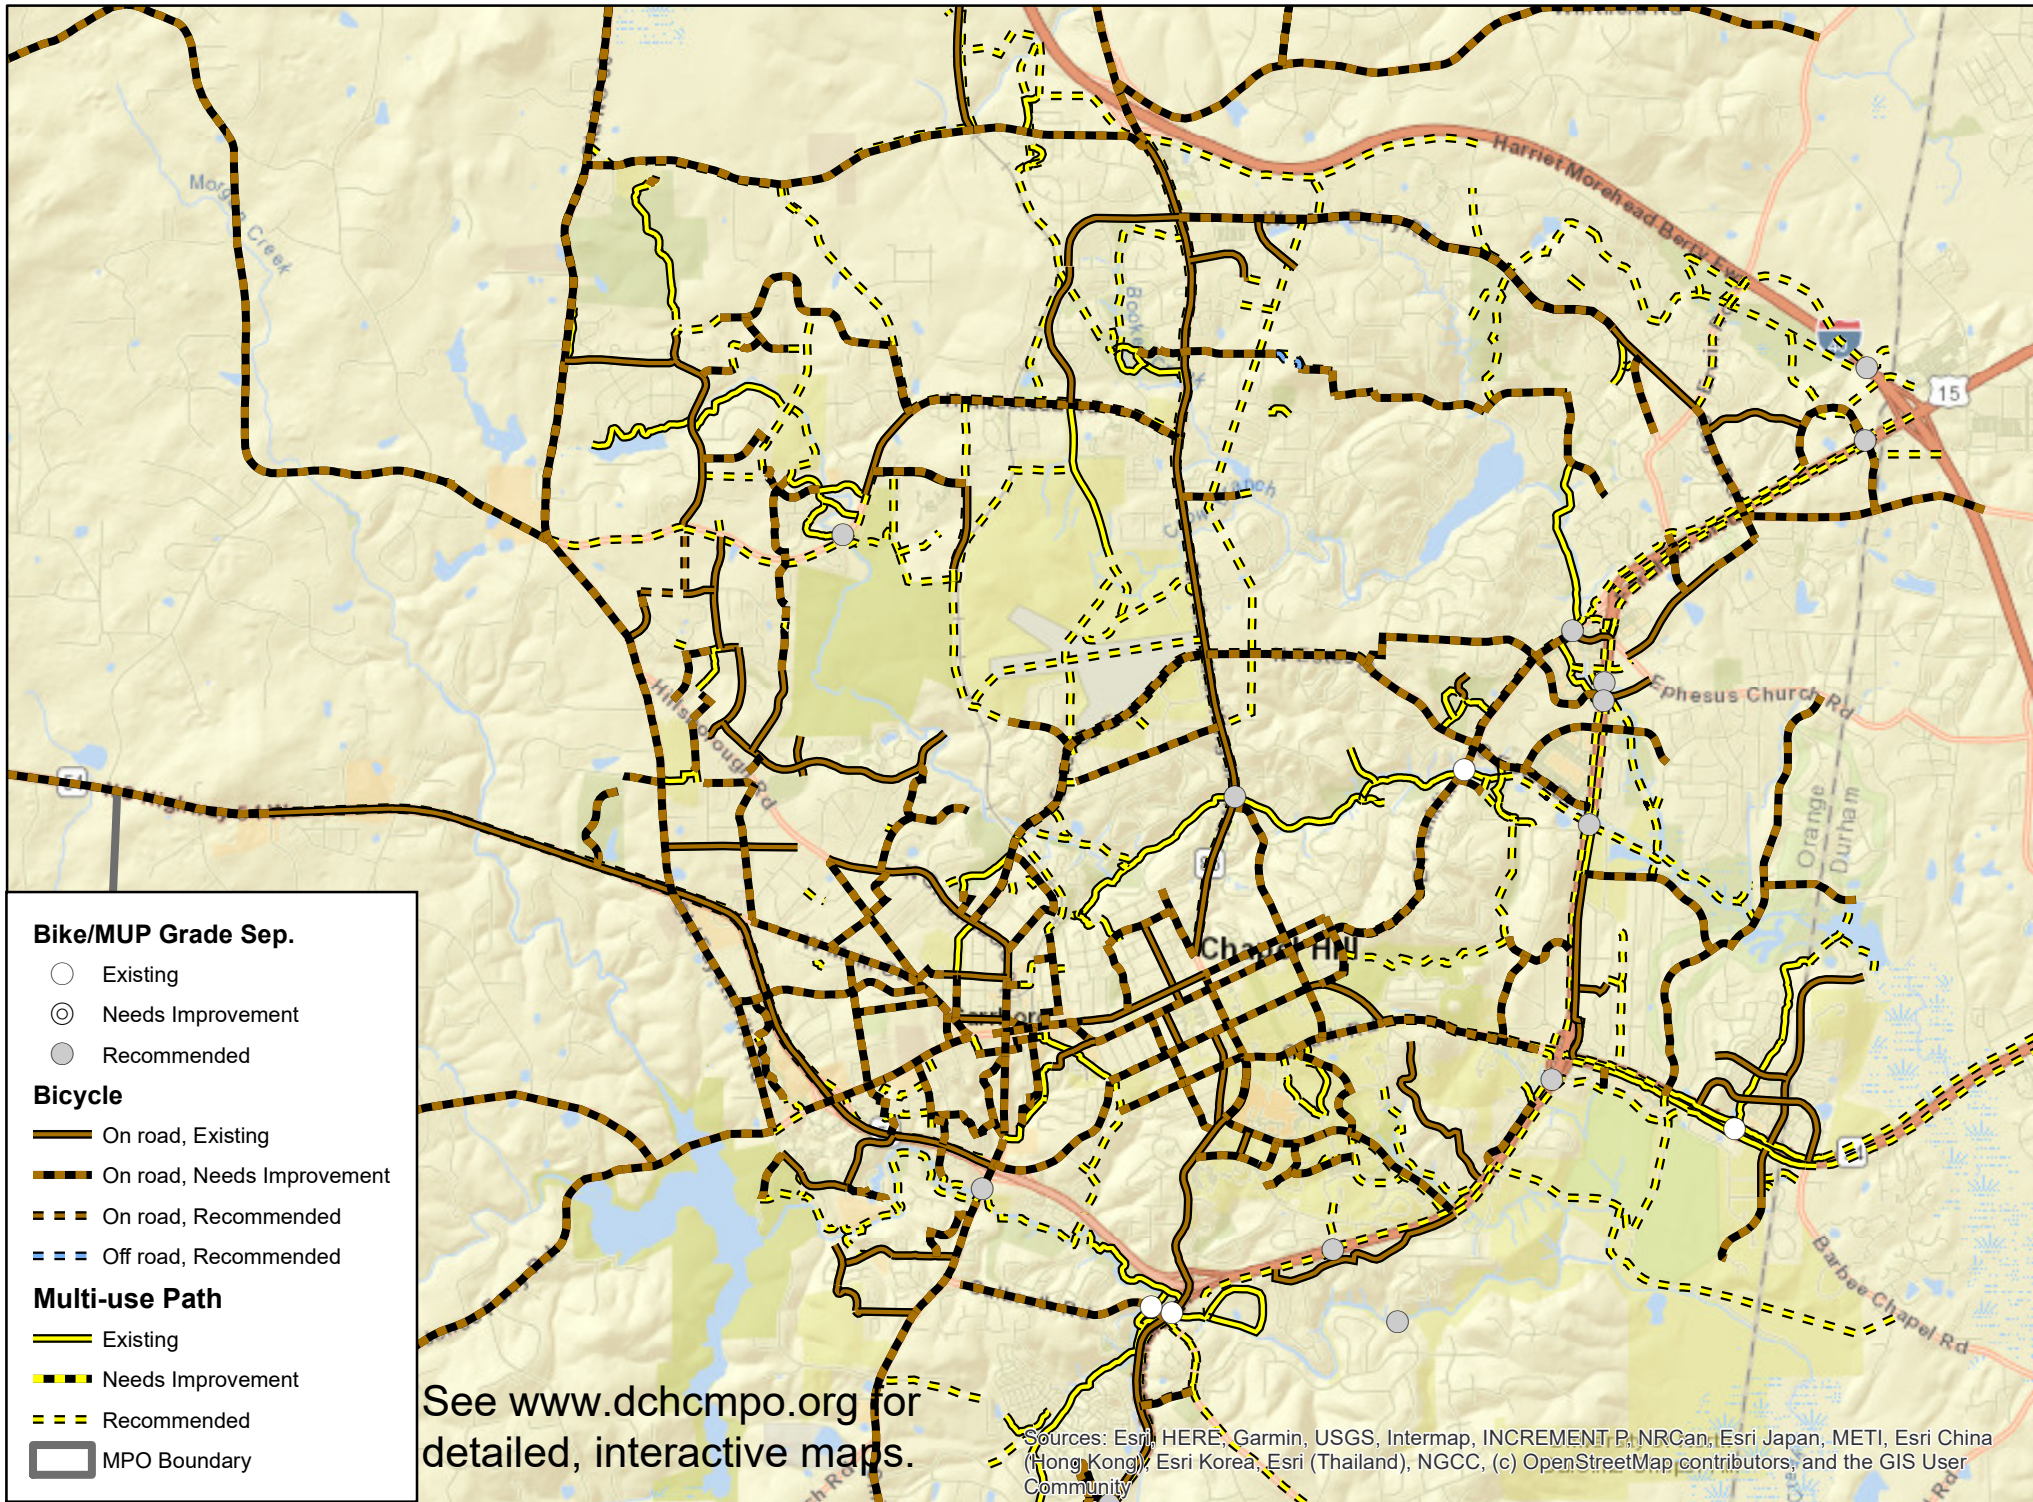

The interactive project maps that correspond to the tables and problem statements are available on the MPO's [CTP web page](#). These maps, tables and problem statement are intended to completely replace all of those for Orange County and Chatham County in the CTP, but not for Durham County.

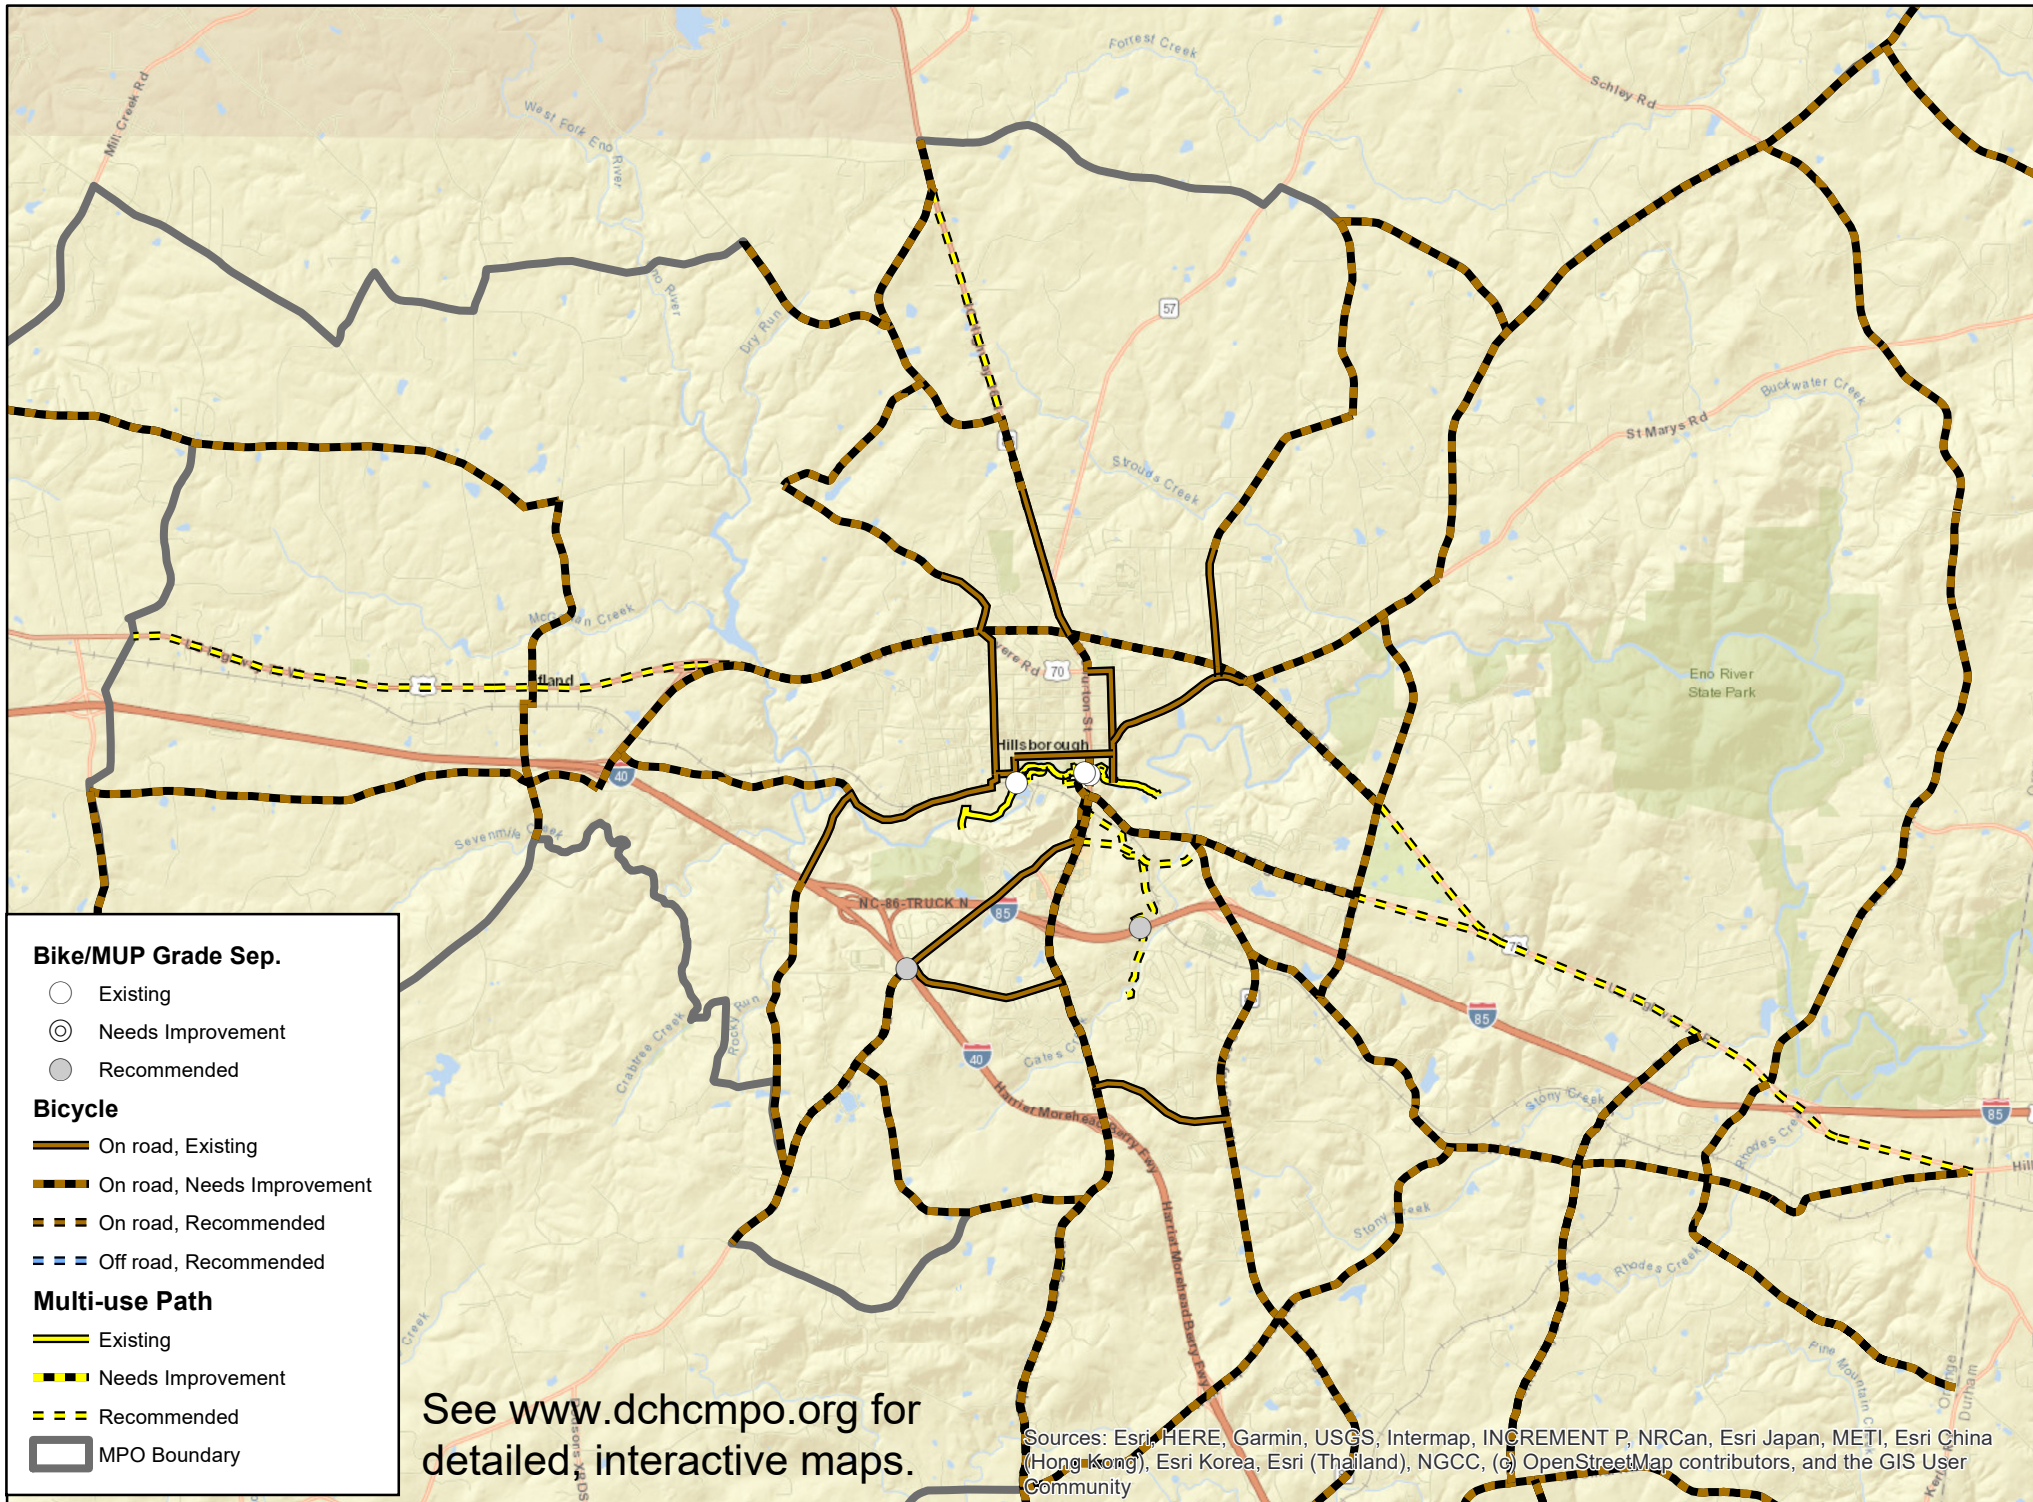

Public Involvement

Schedule – The MPO's Public Involvement Policy requires that a major amendment to the CTP be released for a minimum of 42 days for public comment. The Amendment #5 schedule is as follows:

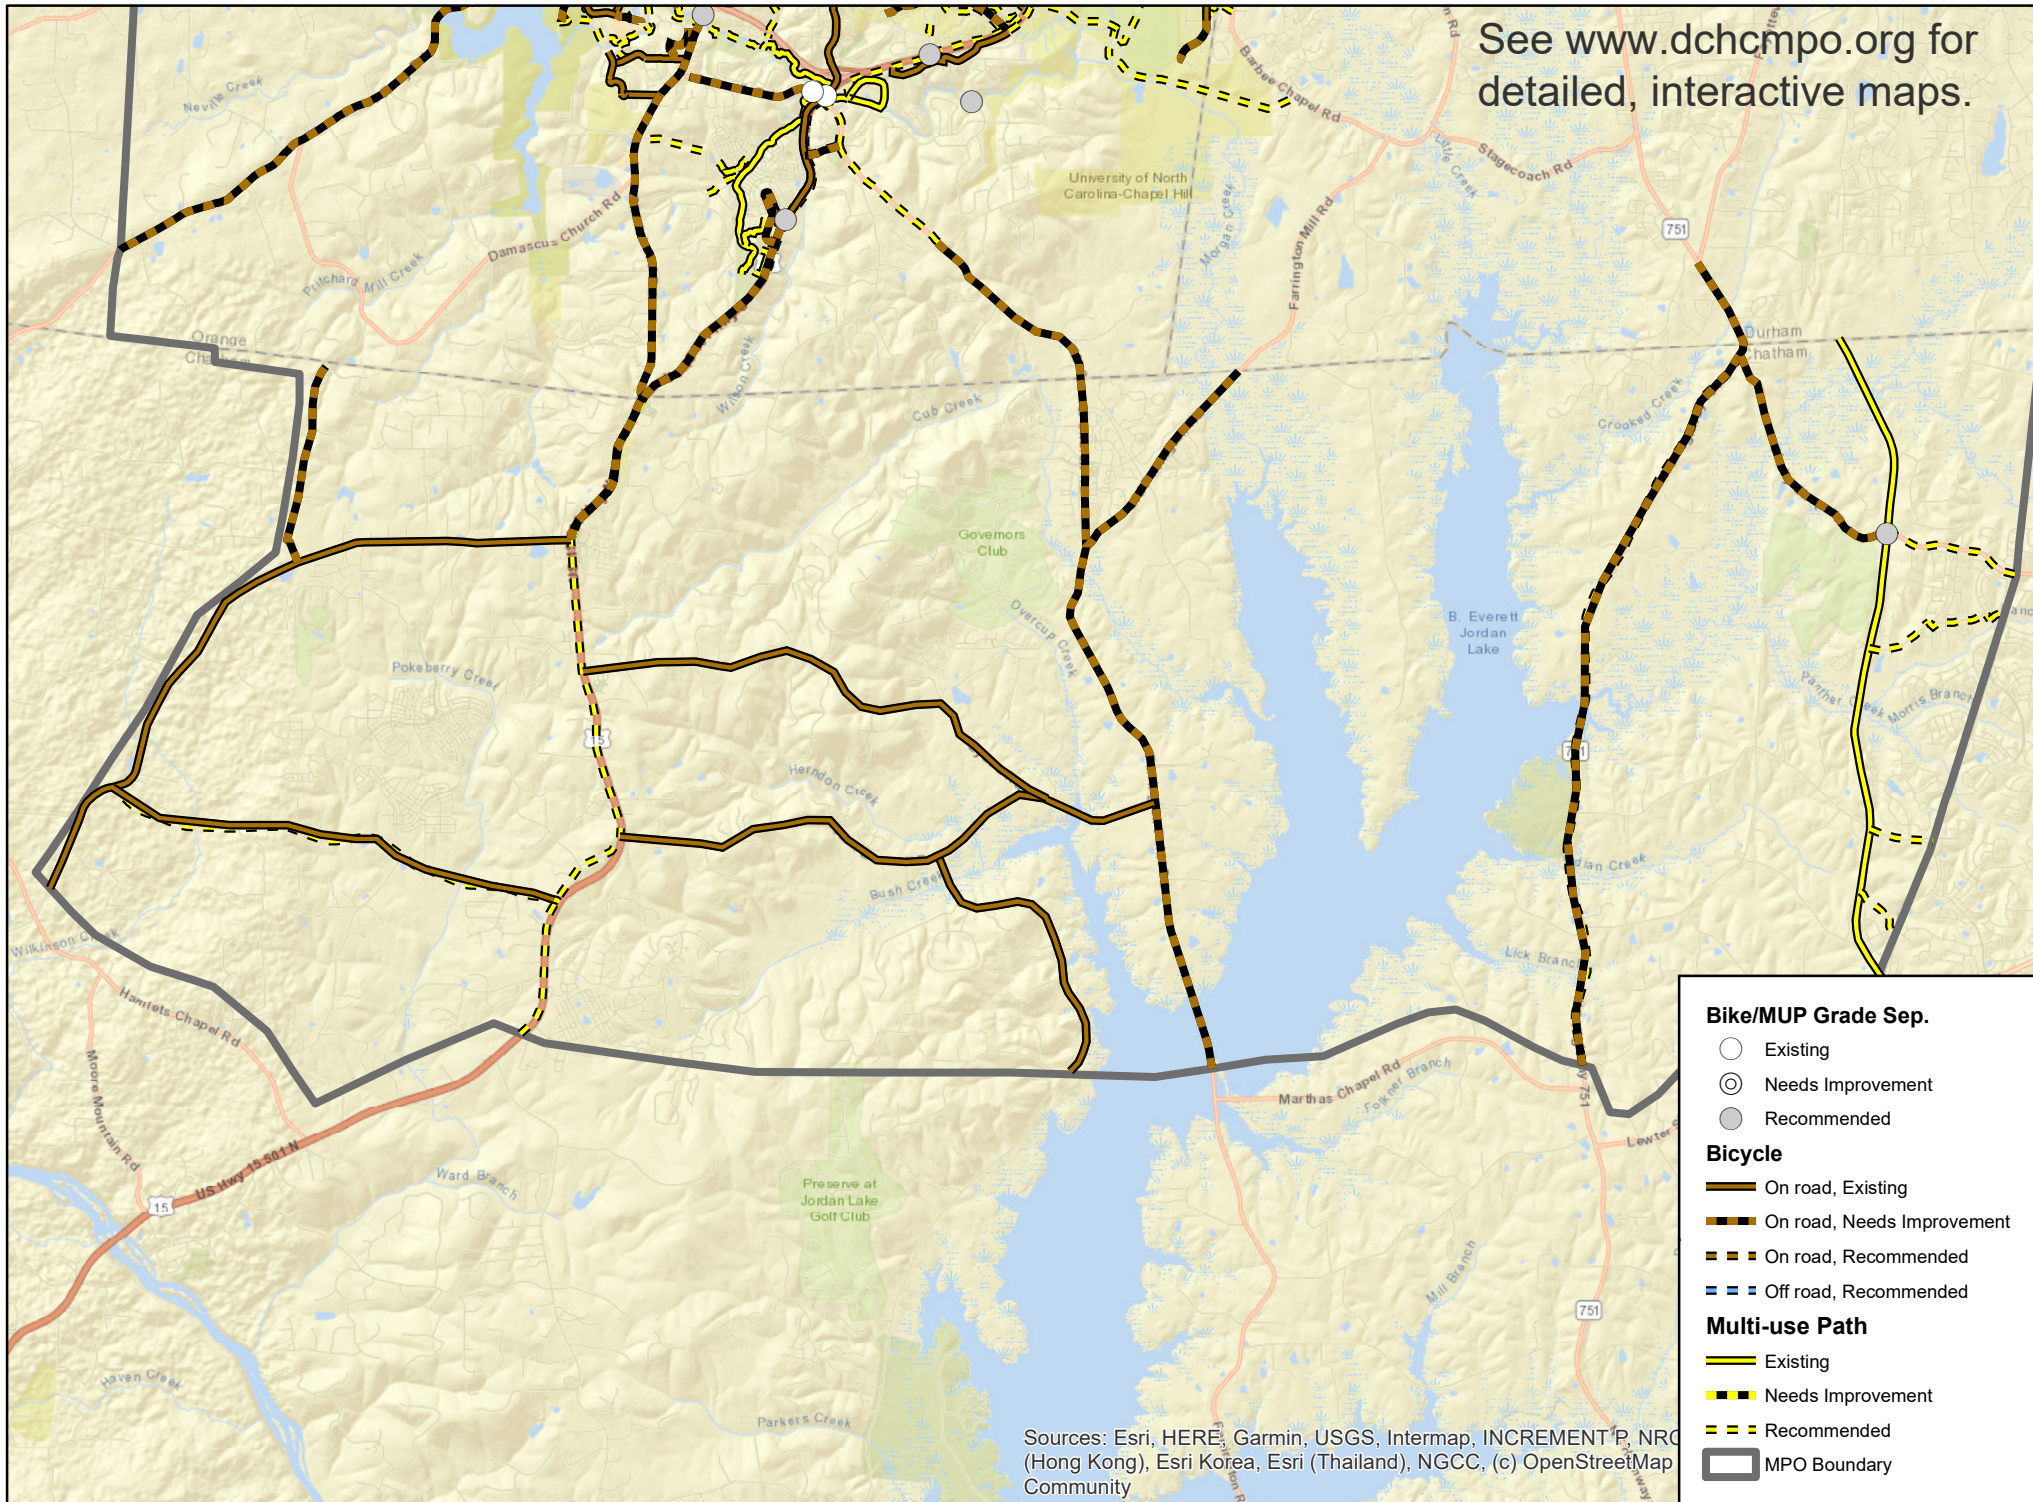

- December 14, 2022 – DCHC MPO Board releases Amendment #5 for public input
- January 11, 2023– DCHC MPO Board conducts a public hearing on Amendment #5
- January 25, 2023 – Public involvement period ends
- January 24, 2023 – TC makes a recommendation on Amendment #5
- February 8, 2023 – DCHC MPO Board adopts Amendment #5
- April 2023 – North Carolina Board of Transportation adopts Amendment #5

Notification – The MPO will post the amendment and schedule to its web site and social media sites (including Twitter and Facebook), publish public affair notices at local jurisdictions and counties, send notices to the MPO contact list, and publish notices in local newspapers.

See www.dchcmpo.org for detailed, interactive maps.

DCHC MPO - CTP Amendment #5 - Multi-use Paths

Technical Committee 11/16/2022 Item 11

Project	Extent	Description	Status	Jurisdiction
300 E Main Connector	Libba Cotten to E Main St	Shared-use Path	Recommended	Carr
American Tobacco Trail (Chatham County)	Durham County line to Wake County line	Greenway - Paved	Existing	Chat, Cary
Anderson Park Sidepath	James St to Anderson Park	Shared-use Path	Recommended	Carr
Andrews Store Rd	Manns Chapel Rd to US 15-501	Multi-use Path	Recommended	Chat
Ashe Place Bridge	Ashe Place to Arboretum Dr	Multi-use Path	Recommended	CH, OR
