Subject: CMAQ Project Award for FY 2024

Thank you for submitting a project proposal for funding through the North Carolina CMAQ Program. The Transportation Planning Division is pleased to inform you that the following project has been approved for CMAQ funding in the amount shown below:

STIP Number	Description	Municipality /County	Phase	CMAQ Funding	CMAQ Share	Local Match	Local Share	Total Funding	FY
U-4726HN	Hillandale Road Bike/Ped Improvements	Durham	CON	\$1,572,608	80%	\$393,152	20%	\$1,965,760	2024
C-4928	SR 1317 (Morreene Road) Bike/Pedestrian Improvements	Durham	CON	\$860,398	80%	\$215,100	20%	\$1,075,498	2024
			TOTAL	\$2,433,006	80%	\$608,252	20%	\$3,041,258	

The awardee is responsible for all funding that is above the approved award amount.

Please note there is an additional small amount of funds above and beyond the project award that is included in the WBS. This is not for use by the project or project manager. These funds are placed there to pay for estimated BSIP/SAP charges that will occur as the project is invoiced and paid out.

By agreeing to use the CMAQ funds, the project manager's business unit or entity (awardee) agrees that any charges that cause the WBS to become negative and require repayment, (whether BSIP/SAP charges or costs incurred by the project) WILL be covered and paid for by the unit/entity receiving these funds.

Requesting Local Agreements for CMAQ Projects

The Local Programs Management Office (LPMO) has a web-based system for requesting agreements for locally-administered projects. As a Local Government Agency (LGA) with a project to administer with NCDOT, you will be responsible for requesting an agreement through the Enterprise Business Portal (EBS). In order to access the EBS, you will need a **user id** and **password**, issued by NCDOT.

Please visit the LPMO website at:

<https://connect.ncdot.gov/municipalities/Funding/Pages/default.aspx> and download the LPMO Security Form, complete, sign and e-mail to the contact address in the form. Once you have a user id and password assigned, you may log into the EBS at <https://www.ebs.nc.gov/irj/portal>, from there, submit a request for a NEW AGREEMENT APPLICATION and attach this memo as backup documentation.

If this memo provides additional funding for your existing project in the EBS portal, then you can request a supplemental agreement by submitting a CHANGE REQUEST. In the reason for the Change Request, select "Supplemental Agreement" and attach this funding memo as backup documentation.

If you have any questions about the EBS portal, please see help guidance here: <https://connect.ncdot.gov/municipalities/Funding/Pages/default.aspx>

Please note the following:

- CMAQ transit projects that are being flexed to Federal Transit Administration do not require a local agreement. Please contact Mark Eatman to determine the steps for implementing these projects.

North South Bus Rapid Transit (NSBRT)

Project Description

NSBRT is an 8.2 mile proposed bus rapid transit system, that will connect 2 park and ride lots to downtown Chapel Hill, the University of North Carolina at Chapel Hill, and UNC Hospitals. Connections will also be made with regional transit providers GoTriangle and PART. NSBRT will operate in a constructed curb running lane, a converted curb running lane, and in mixed traffic, while serving 17 station areas that will feature the latest in technologies and passenger amenities, with 60 foot articulated electric vehicles. Where applicable, a multi-use path will be installed to provide options for active transportation. The project is in the early stages of 60% design awaiting completion of NEPA which is expected in early 2023. NSBRT has an expectant project cost of \$150.7M, with \$120.5M planned from the Small Starts Process. The project non-cig funding is provided by the Orange County Transit Plan for a total of \$29.1M. NSBRT is planned to open for revenue service in 2028.

Subject: U-4726 IK Homestead Road Roadway Improvements Project Additional Funding Request

Dear Mr. Plachcinski,

The Town would like to formally request additional funding for the U-4726 IK Homestead Road Roadway Improvements Project in Chapel Hill.

The low bid came in higher than the expected engineer's estimate and the Town would like to work with you to procure the additional funding to try to cover the gap in the funding. The primary bid discrepancies between the engineering estimate and the low bidder were among the lump sum grading line item and the items associated with storm drainage (storm structures and reinforced concrete pipe costs.). Current material prices are higher than originally estimated for pipe cost and the contractor estimates higher earth moving cost than originally estimated. The increase in prices is largely contributed to the inflation of construction prices over the past year. This shortfall is \$700,000.

The amount of MPO funding being requested is \$560,000. We understand that there will be a required 20% local match of \$140,000. This local match will be covered by the Town of Chapel Hill's General Fund and or Bond Funds.

We truly appreciate the ability to work with your organization in the process of trying to secure these additional funds for this important road and sidewalk improvements project. Please let us know if you have any questions and/or need additional information. I can be contacted directly at cbrown1@townofchapelhill.org and/or (919) 969-5122.

Respectfully,
