Note: DCHC is allowed (24) submittals per mode for SPOT 7.0. Carryover projects already in the STIP are not included in this submission.

*Projects in this category are the current submittals for bike and pedestrian projects pending preliminary scoring as well as public comment or possible changes to submittals through local partners. Projects with preliminary scores are ordered first in this section based on overall scoring, and projects with "pending" scores are listed in no particular order. Projects listed with preliminary scores in this sheet were scored in a previous prioritization cycle and scores are subject to change due to updated scoring criteria as well as if the project itself is modified.

**Projects in this category include project overflow from the (24) allowed submissions, as well as projects that are expected to be submitted by other local Divisions. All partners work together to avoid duplication of project submittals, as well as to submit as many high-scoring projects as possible.
